**REQUEST FOR APPROVAL OF  
COMPREHENSIVE EXAM (MS Plan II) COMMITTEE MEMBERS**

Student Name: \_\_\_\_\_

For MS Plan II students, a three-person examination committee, approved by the Graduate Adviser, administers the comprehensive examination. The comprehensive examination committee examines the student on their transportation and related knowledge, including coverage of core courses and other courses in the student's Program of Study. The three-person examination committee should be qualified to examine the student on transportation technology, transportation policy, the student's chosen track, and the student's chosen skill area(s). This form indicates what areas each member of the committee will be planning to cover on the exam.

In addition, your Faculty Advisor may *not* be the Chair of the examination committee. The Chair of the committee must be a member of GGTP and will normally be a member of the Academic Senate.
